Steal cards from other players by shouting "I'm going to pinch your pants!"

Contents

• 4 pig boards • 40 pants cards (4 each of 10 pants)

Setting up the game

Each player chooses a pig board on which they will place the pants that they collect during play.

Each player is dealt two cards, which they hold in their hand.

Place four pants cards face up in a line in the centre of the table. The remaining cards are placed face down in a pile next to them.

1 To play

The youngest player starts and play continues in a clockwise direction.

On each turn, try to match a pants card **in your hand** with any of the other pants cards in play.

You can make a match in any of the ways shown below (a, b, c or d):

a Match to a card in the centre

If one or both cards in your hand match a card in the centre of the table, pick up the card from the table and place it on your pig along with your matching card/s.

b Match the cards in your hand

If the cards in your hand match each other, or with the top card on your pig, put all the matching cards in a pile on your pig board.

c Match to a card on someone else's pig

If one or both cards in your hand match a card on someone else's pig, pick up **all the cards** from their board and put the **whole pile** on your pig, with your matching card/s on top. You can shout "I'm going to pinch your pants!" or "I'm going to nick your knickers!" as you do so!

d No matches anywhere

If you can't make a match anywhere, you shout "no knickers!" and put one of the cards from your hand face up on the table.

After your turn, always make your hand back up to two cards from the face down pile! Play then passes to the next player.

2 As the game continues

As the game continues, the pile of pants cards on each pig will get taller and taller!

You might find someone has pinched your entire pile, but don't worry, you may get the chance to steal it back later!

3 The winner

The game ends when nobody can match any more pants cards.

The winner is the player with the most pants on their pig!
