You will need:

- Small punnet of strawberries
- Squirty cream
- A plate
- Chocolate sauce
- Chocolate buttons

1 Take a ready made pancake (if you want to make an extra special effort, you could cook up your own pancake from scratch).

2 Add the strawberries to the top of the pancake to form Father Christmas' red hat.

3 Put two chocolate buttons onto the pancake to make his eyes.

4 Use the squirty cream to make a beard and hair.

5 Add chocolate sauce to make him smile!

Now he's ready to eat!
