

# Dress up the Goose

The geese on the farm are being very naughty and dressing up in clothes they have taken off Old MacDonald's washing line. Dress up the goose by drawing clothes on him and colouring them in.

# Whose Shadow?

The escaped geese are playing and making shadows in the sun. Can you work out which shadow belongs to each goose and draw a line between them?

# Goosey Sums

Watch out! There's a goose on the loose!  
Solve the sums to find out what the geese are up to as they wander around the farmyard.

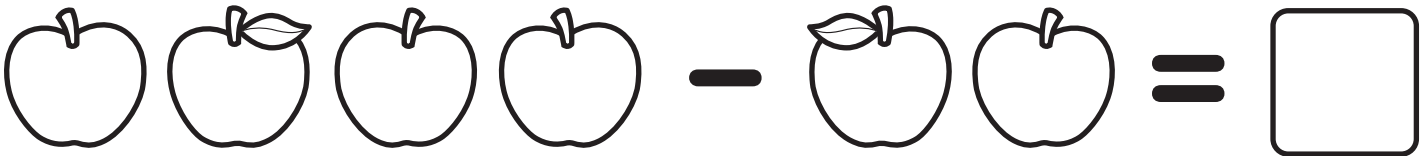

For more **Fun**,  
look out for...

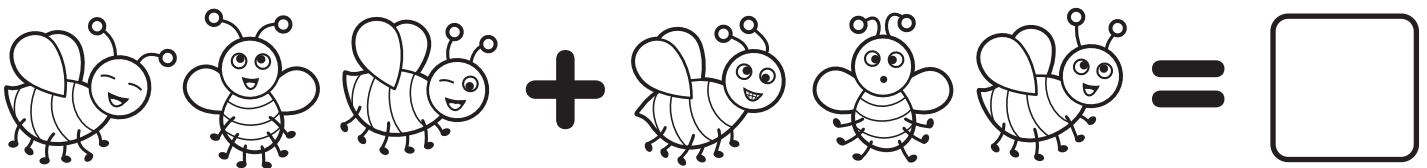

1. There is **1** goose on the loose! She goes for a walk and meets **3** more geese. How many geese are on the loose now?

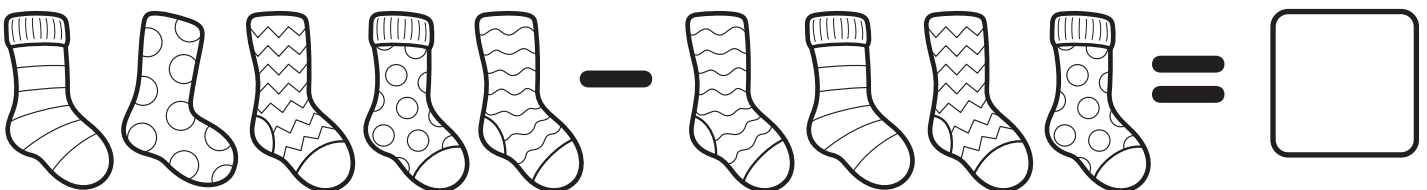

2. The geese find **4** apples and they eat **2** of them. How many apples are left?

3. The geese see **3** bees buzzing on a flower. **3** more bees arrive. How many bees are there on the flower now?

4. There are **5** socks on Old MacDonald's washing line. The naughty geese take **4** off the line and wear one each! How many socks are left on the washing line?
