Setting up the game

Spread the cards face down on the table.

1 Find a pair

The youngest player starts.

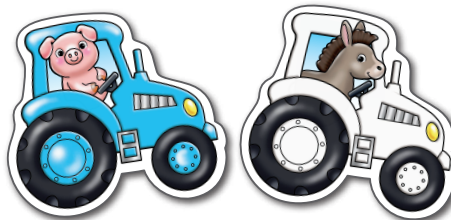

Turn over two cards from the table.

If the cards match, keep them and place them in front of you. Continue to turn over cards, two at a time, until you are unable to find a matching pair. Play then passes to the next player

If the cards do not match, return them face down to the table.

Play passes to the next player.

2 The Winner

The game ends when there are no cards left to pick up.

The winner is the player with the most tractor pairs at the end of the game.

Activities for Younger Players

Face Up Pairs

Spread the tractor cards picture side up. See if you can match the colours and find pairs.

Talk About Animals

Talk about the different animals driving each tractor. Which ones can you name? What sound does each animal make?

Meow!

All in a Row

Put the tractors all in a row on the floor, as if they were driving along a road or stuck in a traffic jam!
