

Jungle Snakes and Ladders

Contents:

1 jiggled playing board, 4 counters, 1 dice

Setting up

- Piece together the playing board.
- Each player chooses a counter and places it on the start space.

How to play

- Roll the dice and move the number of space shown.
- If you land at the bottom of a **ladder**, move your coloured counter to the top of the ladder. If you land on a **snake's head**, move your coloured counter to the bottom of the snake's tail. For all other squares, your coloured counter remains where it lands. Play then passes to the next player.
- The winner is the first player to reach the finish space.
