

# Hot Cross Bunnies

## Contents:

32 cards

## Setting up

- Shuffle the cards and deal them face down in piles to all players.

## How to play

- Players take turns to turn over the top card from their pile and place it face up in front of them, keeping the two piles separate.
- If a player spots any two top cards that match, they shout “Snap!” and collect both piles of cards. These cards are added to the bottom of their own face down pile and they turn over their next card.
- If two grumpy bunny cards appear, the first player to cross their arms and pull a grumpy face, wins the face up cards from every player.
- If a player runs out of cards in their face down pile, they turn over their pile of face up cards and continue to play. If a player runs out of all cards, they are out of the game.
- The winner is the first player to collect all of the cards.

## Simple matching game

- Spread all the cards face down on the table.
- Players take it in turn to find matching pairs of bunnies.
- If you turn over one grumpy bunny, you must put back a pair of your bunnies, face down on the table. The grumpy bunny card goes out of play. Mix up the table cards.
- The player with the most pairs of bunnies is the winner!
