

# Spotty Cows

## Contents:

24 cards, 1 dice

## Setting up

- Spread out all the cards, cow side up, on the table.

## How to play

- The youngest player starts.
- Roll the dice and choose a cow with the same number of spots as shown on the dice. Turn the card over to reveal the flowers on the reverse and place it in front of you. **Note:** there might be 0, 1, 2 or 3 flowers on the back of the card. Play passes to the next player.
- Towards the end of the game if there are no cards left with spots matching the number rolled on the dice, play passes to the next player.
- The game continues until there are no cards left on the table to take.
- Players count how many flowers are on the cards they have collected and the winner is the player with the most.
