

Race to Count

Contents:

24 racing car cards, 1 dice

Setting up

Spread all the cards on the table with the racing cars facing upwards.

Object

Collect the most trophies by matching the number of dots on the dice to the numbers on the racing cars.

To play

- The youngest player starts by rolling the dice and selecting a racing car card which has the same number on it as the number of dots shown on the dice.
- They then turn the card over to reveal either 1, 2 or 3 trophies, or no trophies at all.
- The player then places the card in front of them with the trophy side facing upwards. Play passes to the next player.
- If a player cannot find a racing car card with the same number on it as the number of dots on the dice, play passes to the next player.
- Play continues until all of the racing car cards have been collected.
- Players then count up how many trophies they have in front of them.

The winner

The winner is the player with the most trophies at the end of the game.
