

# Hatch and Match

## Contents:

4 nest boards, 24 egg cards, 1 dice

## Setting up

- Each player takes a nest board and places it in front of them.
- Shuffle the egg cards and spread them number side up on the table.

## Object

To be the player with the most hatched baby dinosaurs.

## To play

- The youngest player starts by rolling the dice and selecting an egg card which has the same number on as the number of dots shown on the dice.
- They then turn the card over and place it on their board. Play passes to the next player.
- If a player cannot find an egg card with the same number on it as the number of dots on the dice, play passes to the next player.
- Play continues until all players have filled their nest with six egg cards.
- Players then count up how many hatched baby dinosaurs they have in front of them.

## The winner

The winner is the person with the most hatched baby dinosaurs at the end of the game.
