

# Fun Food Bingo

Be the first to fill your board in this tasty bingo game. You can also use the plates on the back of the boards and the shaped food cards for imaginative and pretend-play.

## Contents

- 4 double-sided bingo boards
- 20 shaped food cards
- 36 knife and fork counters
- 1 cloth bag

## Setting up the game

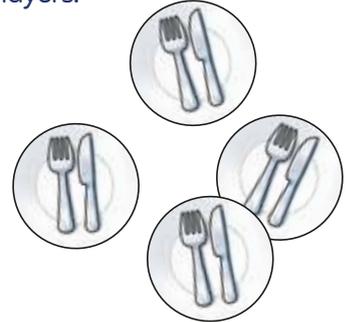

Each player chooses a bingo board and puts it food side up in front of them.

Mix up the food cards and put them in the cloth bag.

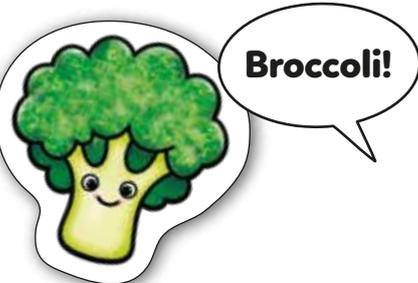

Place the knife and fork counters within reach of all players.

## 1 To play

The youngest player starts.

Take a food card out of the bag (don't look!) and show it to everyone, calling out the name of the food.

## 2 Does the food match a picture on anyone's board?

If the food card matches a picture on anyone's board, those players place a knife and fork counter over the matching space.

## 3 Put the card to one side

The food card which was taken out of the bag is then taken out of play. Play passes to the next player.

## 4 The winner

The winner is the first player to cover all the pictures on their board and shout 'BINGO!'.

## Use as a Playset

You can use the reverse of the boards and the shaped food cards for imaginative and pretend play fun.

Will you make up a pretend dinner for each of your toys? Maybe create your favourite meal, or even the most unusual combination of food you can think of!
