

# Number Bonds

Start by writing out a target number in the big circle. Draw an addition or subtraction sign, and then figure out and write in the smaller circles, which two numbers make the target number. Get a grown up to check your answers!

For more Fun,  
look out for...

# How Many Bears?

See how many of each type of bear you can spot.  
Write the number next to each bear at the bottom of  
the page. Get a grown up to check your answers!

For more **Fun**,

# Bear Colouring

Have fun colouring in these bears! You could use coloured pencils, pens, paint, tissue paper or even glitter.
