

# One Dog, Ten Frogs

Count and match the pairs in this fun memory game!

## Contents

• 30 jumbo pairs cards • 1 number reference board

### Setting up the game

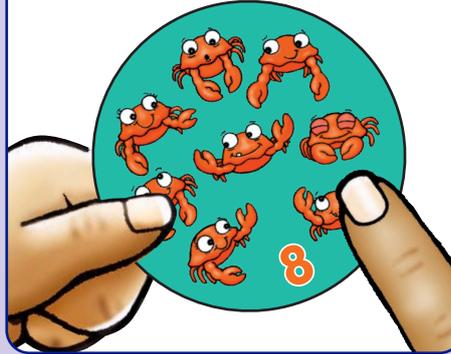

Spread the jumbo pairs cards face down on the floor.

For young players spread cards face up.

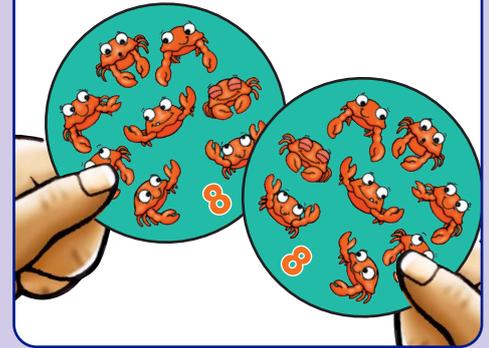

### 1 Pick up a card

The youngest player starts. Turn over one card and count the characters.

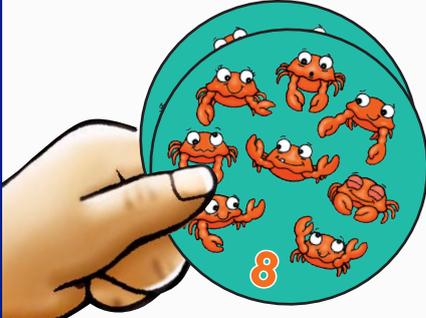

### 2 Pick up a second card

Turn over a **second** card and count the characters again.

### 3 If they match

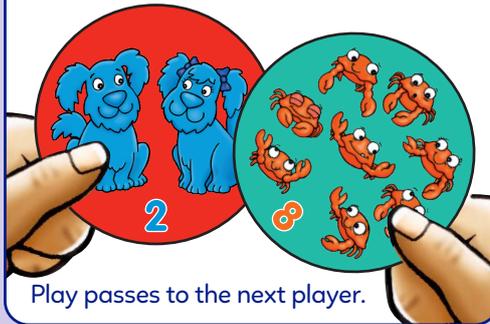

If the cards **match**, keep them as a pair in front of you.

Play passes to the next player.

### 4 No match?

If the cards do not match, show them to the other players before returning them face down to the floor.

Play passes to the next player.

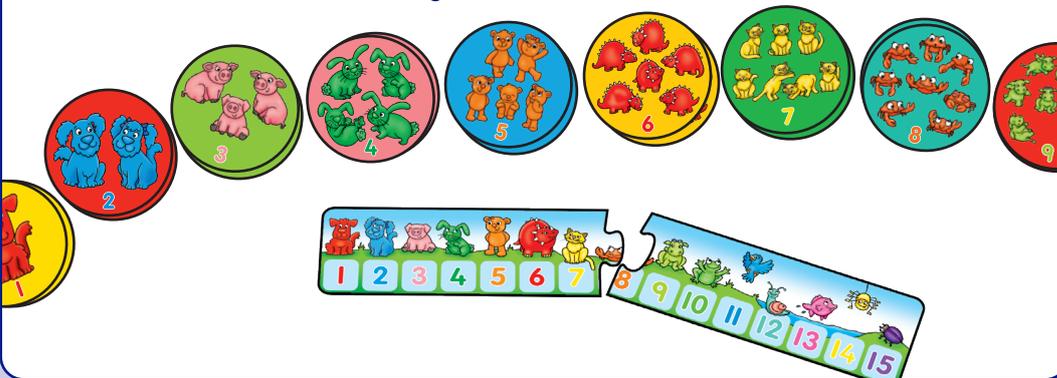

### 5 Match them all

Continue until all cards have been paired.

### 6 Work together to make a number line

Work together to form a jumbo number line on the floor. Encourage counting of the characters as the number line is being made.

### The number reference board

Included is a number reference board which can be used as an aid during the game.

It can also be used as a separate aid for adding and subtracting:
