

Spinner Game

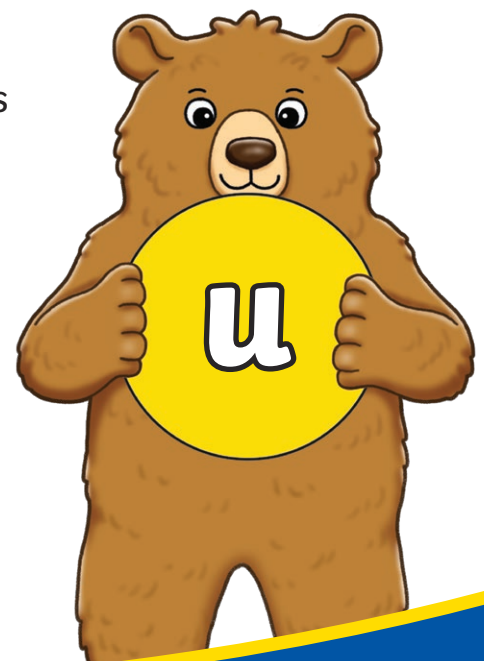

The aim of the game is to be the first to spin all of the letters in your word.

You will need:

- Spinner Cards and Arrows, printed out (on card, if possible)
- split pins
- Word Grids, printed out (one grid each)
- a pencil each

Instructions:

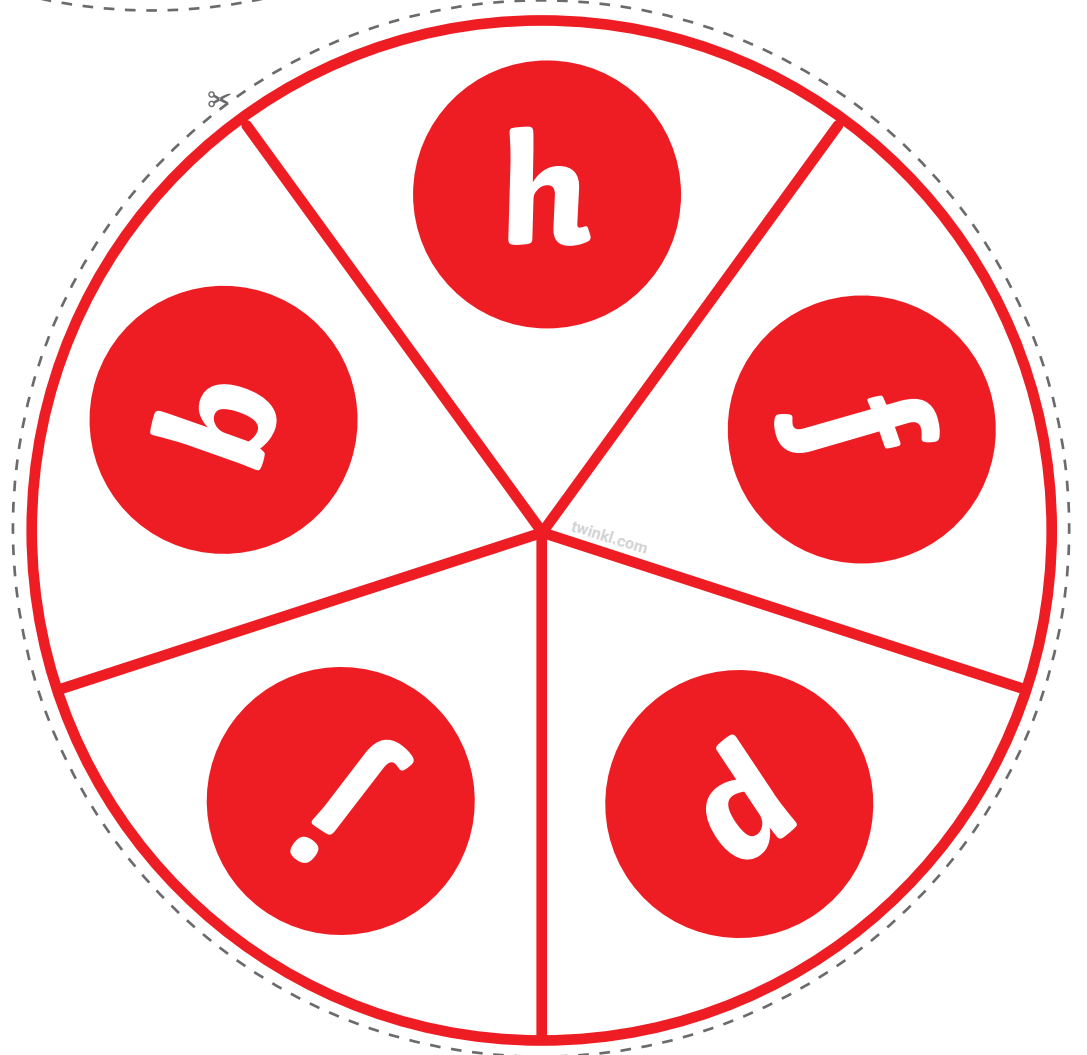

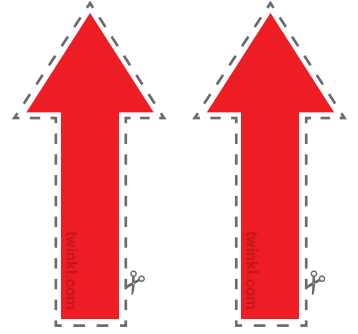

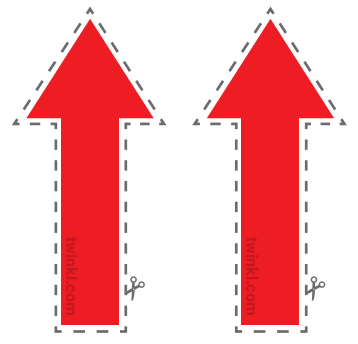

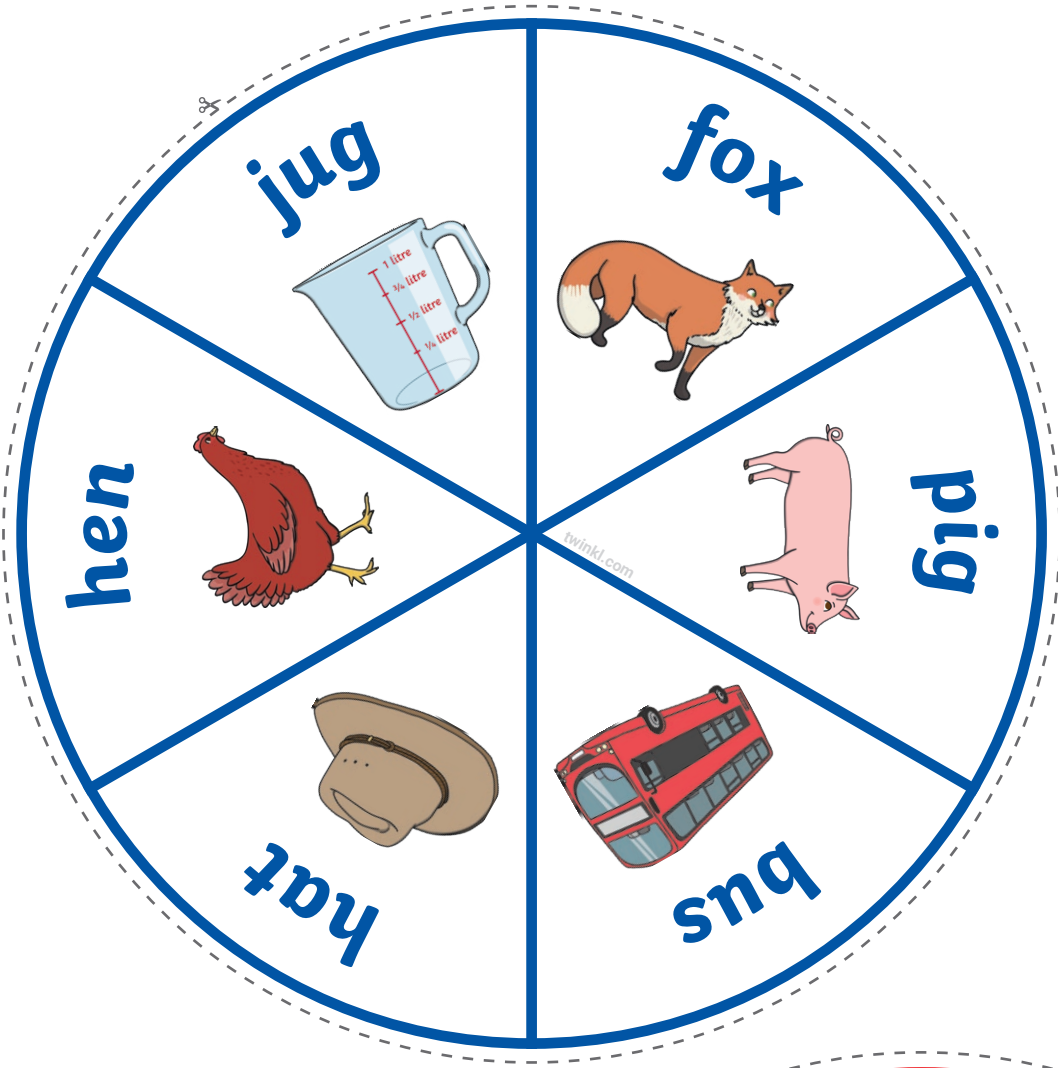

- 1.** Cut out each spinner and arrow. Ask an adult to help you to attach an arrow to the middle of each spinner using a split pin.
- 2.** Give each player a word grid.
- 3.** First, spin the word spinner. Whatever it lands on is the word you are searching for.
- 4.** Spin the first spinner. If you land on the first letter of the word, write the letter into your word grid. If not, pass the spinner on.
- 5.** Keep taking it in turns to spin the spinner until you land on your first letter.

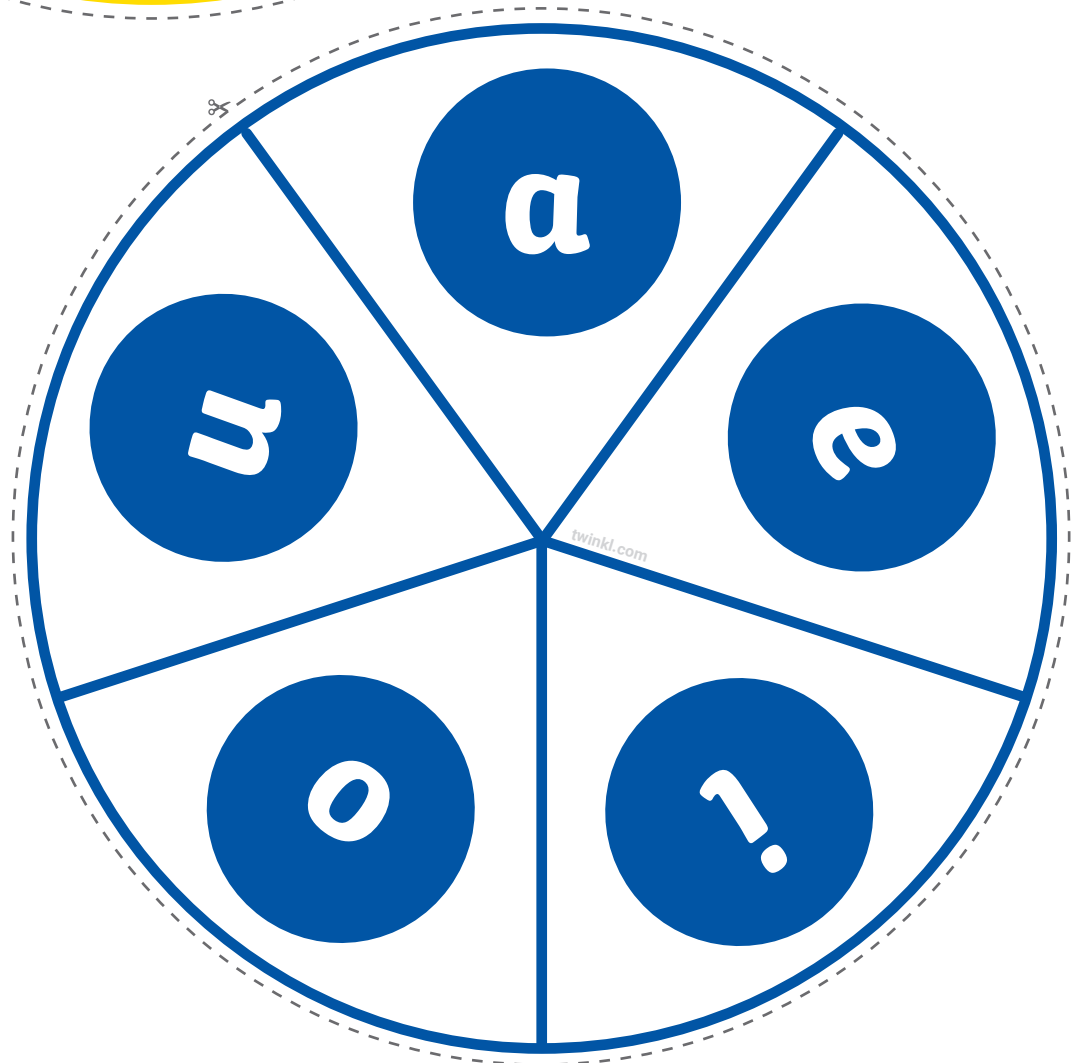

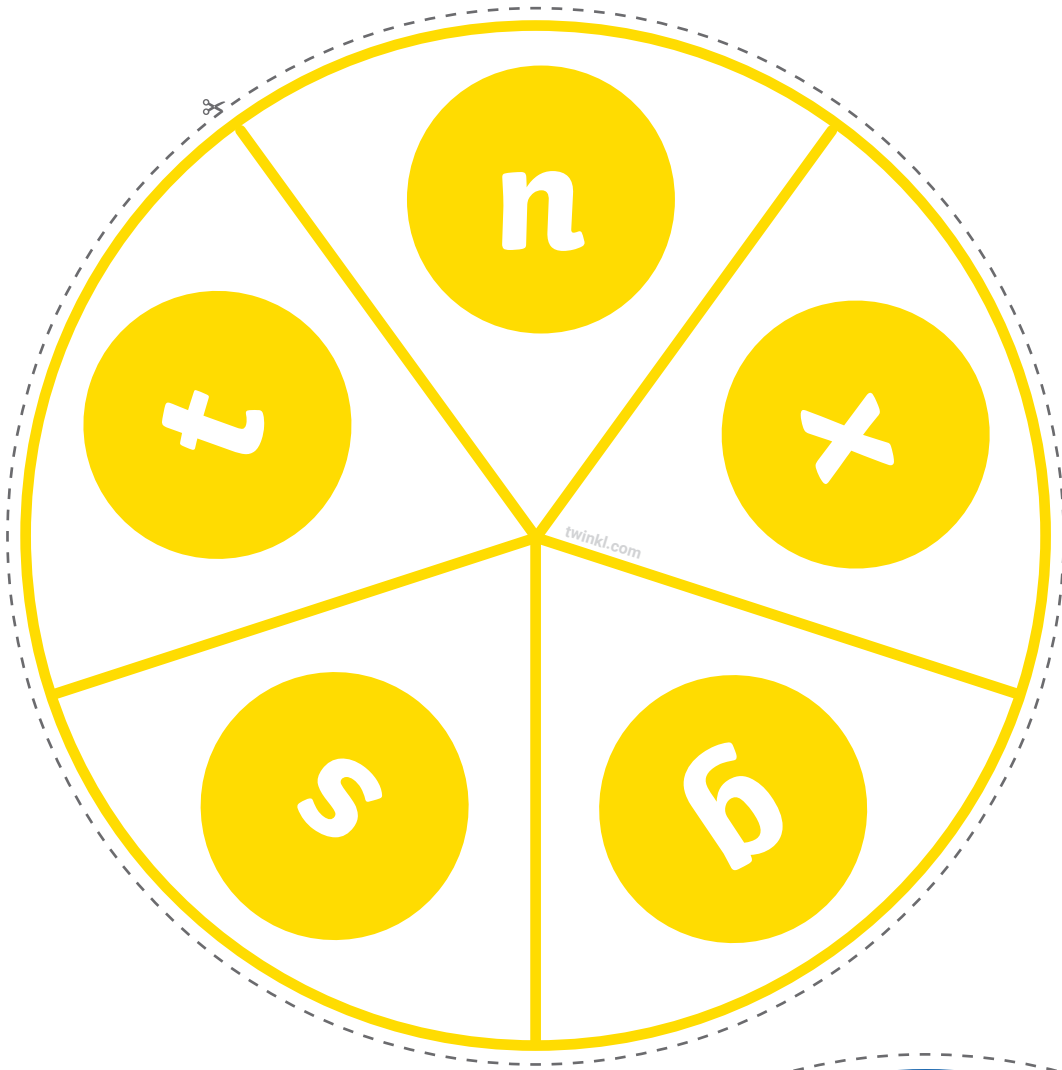

6. Once you have got your first letter, use the next spinner to try to land on your second letter. Keep taking it in turns. You might find that one person is using a different spinner on their turn, which is fine!
7. Keep going until someone has landed on all of the letters to make their word.
8. Included is an **extension game** which has the spinners and word grids to make four-letter words.
