Heads and Tails

Match the heads and tails of Peter Rabbit and his friends in this fun activity.
As children grow in confidence use the cards in a simple game of pairs.

In this first matching activity for children aged 18 months and up, your child is encouraged to find matching heads and tails to make 12 friendly characters. This activity has been designed to encourage observation and matching skills.

As your child gets older and grows in confidence and ability, the activity develops into a simple pairs game. This helps to promote turn taking, whilst developing language and memory skills.
