- 6 scarecrow cards
- 1 scarecrow board

Setting up

Each player chooses a character board and places it in front of them.

Spread out all the fruit/veg and scarecrow cards, face down, on the table.

Place the Mr. McGregor board on the table within reach of all players.

1

To play

The youngest player starts.

Turn over a card from the table.

If the fruit or veg on the card **matches** any of the pictures on your board, cover the picture with the card.

Play passes to the next player.

3 No match

If the fruit or veg on the card **does not** match any of the pictures on your board, show the card to the other players and return it, face down, to the table.

Play passes to the next player.

If the picture on the card is part of the scarecrow, place the card on the correct space on the scarecrow board.

Play passes to the next player.

5

The winner

The winner is the first player to fill their wheelbarrow with matching fruit and veg.

Note: If all the scarecrow cards are found before any player fills their wheelbarrow, Mr. McGregor wins the game!

Simplifying the game

For a simpler game of lotto, remove the Mr. McGregor board and scarecrow cards and play as before.

The game can also be used as a simple matching activity by spreading all the fruit and veg cards, face up, on the table and matching each card to the pictures on the character boards.
