

Pigs in Mud!

Contents:

24 pig cards, 1 playing board, 1 two-piece farmer playing piece, 1 dice

Setting up

- Each player takes six pig cards (one of each colour) and places them, **clean side up**, in front of them.
- Place the playing board and dice where everyone can reach them.
- Slot the farmer into the stand and place him on the raincloud space on the playing board.

Object

To be the first player to get all their pigs muddy.

To play

- The youngest player starts.
- Roll the dice and move the farmer that number of spaces clockwise around the board.
- If you **land on a colour**, you can turn over your pig of the matching colour to make them nice and muddy!
- Play passes to the next player.
- If you **land on a mud splat**, you can turn over **any** of your pigs to make them muddy. Play passes to the next player.
- If you **land on the raincloud**, bad luck! Turn one of your muddy pigs back over to make it clean again. Play passes to the next player.
- If you land on a colour you have already turned over and made muddy, play passes on.
- Play continues until a player has made all of their pigs muddy.

The winner

The winner is the first player to turn over all of their pigs and make them muddy.
