

The story so far...

Hero city is under attack from an evil robot and his dreadful disasters! You and the Times Tables Heroes must race to reach him, solving times tables as you go. Will you save the city in time?

Shield Cards

The shield cards show disasters. Your superheroes can help with these disasters during the Hero City Game. The guide below describes each one.

An asteroid is about to hit the city

A tsunami approaches the city

An ice monster freezes the city

Thieves rob a bank

A giant slug invades the city

Walking plants invade the city

A swarm of mutant bees invades the city

A gloop monster attacks the city

A jewel thief steals some precious diamonds

A mudslide is about to cover the city

Evil unicorns are loose in the city

A heatwave hits the city

Frog rain falls from the sky

A nearby volcano is about to erupt

There's a toxic waste spill

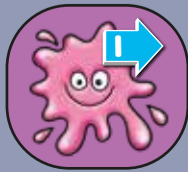

An angry dinosaur is loose in the city

Crazy snakes invade the city's sewers

An unknown virus breaks out

Colourful slime covers all of the city

Peculiar aliens fill the sky

Gruesome zombies invade the city
