

Where Do I Live?

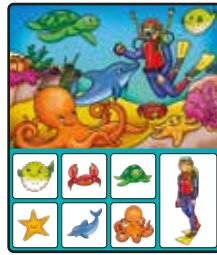

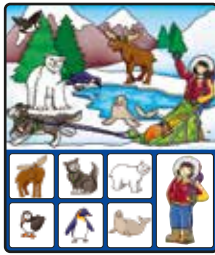

Budding explorers can learn about animals from around the world in this award winning lotto game! Playing boards include fascinating animal and habitat facts on the reverse.

Contents

- 4 playing boards • 24 animal cards • 4 explorer cards

Setting up the game

Each player chooses a playing board.

Spread the square animal cards face down on the table.

Spread the explorer cards face down in a separate group.

1 Pick a card

The youngest player starts.

Turn over an animal card from the table.

2 Make a match

If the animal card **matches** a picture on your playing board, place the card on the matching picture.

Play passes to the next player.

3 No match

If the animal on the card **does not match** any picture on your playing board, show the card to the other players and return it face down to the table.

Play passes to the next player.

4 Find your explorer

Once you have found all the items on your playing board, you need to find your explorer.

5 Match the explorer

On your next go, turn over an explorer card to try to make a match.

6 No match

If the explorer on the card **does not match** the one on your playing board, show the card to the other players and return it face down to the table.

Play passes to the next player.

7 The winner

The winner is the first player to find their explorer and complete their playing board.
